

Laurens Touwen
Directeur St. Zorg Binnen Bereik
Postbus 1196
8001 BD Zwolle

Laurens Touwen is director of the Foundation Zorg Binnen Bereik (Care within reach)

Laurens Touwen (63) is engineer from background and has been Administrator in several healthcare organizations in the field of mentally disabled and lastly as CEO of a teaching hospital in Delft. Today – while with pre-pension – he started with Touwen Advies and in this role he is involved as director of the Foundation Zorg binnen Bereik, an initiative from Philips Healthcare and Achmea. The aim of this foundation is to enhance the use of e-health solutions for chronic patients especially with diabetes, COPD and CHF.
